INFO. REPORT 110.

The Rumanian ship TRANSYLVANIA is now on a regular schedule, making trips between Constanța and Haifa every ten days.

25X1X

- that he had observed the ship taking on Jewish passengers on 2. May 1950. ring the period of 25X1X
- On each of these trips the TRANSYLVANIA transported between 1,000 and 1,200 Jews.
- 4. Although it was formerly necessary for Jewish employees of Rumanian state enterprises to present a certificate from their employers indicating that they could be released from their employment for emigration to Palestine before an application for an exit visa would be grated, the visas are now granted readily and without the necessity of presenting the aforementioned certificate.
